Dimension Data, 49 Market Place, Auckland, 1010, New Zealand

1. *Dimension Data New Zealand Limited has issued this certificate which indicates that the aforementioned organisation has been assessed against the controls of the Payment Card Industry Data Security Standard (PCI DSS) v2.0 and was found to be compliant on the date of issue only. No other guarantees are given.*
2. *This certificate of validation is deemed valid if produced in conjunction with a clean external vulnerability scan. (A clean scan report implies that no level 3, 4, 5 vulnerabilities are present.)*
3. *This certificate is subject to compliance conditions as laid out within the various card organisation compliance programs.*
4. *The certificate offers no guarantee or warranty to any third party with respect to the security of the assessed organisation, and Dimension Data New Zealand Limited accordingly accepts no liability to any third party in the event of loss or damage of any description, caused by any failure or breach of the assessed organisation's security.*
